## Eco Banner

Available in a wide range of sizes, this is a direct competitor to traditional exhibition display stands, printed entirely onto post consumer waste cardboard it's also a lot lighter for genuine portability. Its complimentary cardboard carry case is of a size to fit straight into a cardboard recycling bin when the image is no longer required.

Available in 80cm width

Warranty: 3 months

Banner Size: 80cm x 200cm

Weight : 4kg

## Bamboo Bow Banner (*Replaceable graphic*)

- Single image 2000mm(h) x 800mm(w)
- Natural bamboo rails with 3 section bamboo/ali pole
- Slide assembly graphic hanging bamboo rails
- Overall height 2070mm

The graphic is printed on a pvc free polypropylene based media which is an environmentally responsible alternative solution for banner stands and is easier to place in the recycling chain. Another environmental bonus is that it only weighs 130 g per M2, 25% to 50% of the weight of alternatives.

Warranty: 5 years

Banner Size: 80cm x 200cm

Weight: 2.8kg
